Discover

Learn more about Girl Scouting and the fun ways to get involved by exploring our website: www.gssef.org

Girl Scout volunteers do more than just give of their time and skills. They continue to build upon a legacy that has developed girls and young women all over the world for more than 100 years.

The time commitment for volunteering is up to each individual. Whether you are 18 or 80, have children or do not have children, are married or single, female or male, there is a volunteer opportunity that is right for you.

Connect

Become a volunteer in three easy steps: Register as an adult member of Girl Scouts, submit a Volunteer Application, and successfully complete our screening process.

Think it's a full year commitment? Think again! Whether you volunteer for one hour or one year, you'll have fun and feel great knowing that you have helped build girls of courage, confidence and character who make the world a better place.
